

# Walking holiday Encantada

7 May en 5 November 2017 in Andalusia

## Walking in Andalucia

If you love to walk this holiday is a great opportunity. During the beautiful walks, that take up three to five hours, relaxation and a good atmosphere we think are most important.

Participants stay in Encantada, a holiday home at a breath-taking location with a cosy living room and a big lush garden with a swimming pool. The bedrooms are tastefully decorated. It is possible that you share a room with another participant. The maximum number of participants is seven.

The walking holiday costs € 549,-. This includes the stay, breakfast, lunch, diner, tapas, drinks, airport transfers and local transport unless stated otherwise. Call, WhatsApp or e-mail us for more information: +31644510142.

### **Sunday**

Arrival at Encantada with lunch and tapas.

### **Monday**

Today we hike to the impressive Viñuela reservoir. Within several kilometres the scenery and agriculture changes drastically. Mango and avocado trees are making way for vines, almond and olive trees. We visit a small olive oil factory. On our way back we pass the highest ridge in the area. From here you have fabulous views towards the Mediterranean.

### **Tuesday**

Today we walk in the area of Cómputa on the slopes of the highest mountain in the Malaga province, called the Maroma (2066m). Here the Moscatel grape grows abundantly. We visit a bodega where we get a tour and we take part in a wine tasting (optional and not included)

### **Wednesday**

Today is a resting day. For participants without vertigo we offer the possibility to walk the Kings path near El Chorro. Other participants can enjoy some rest or discover the historical town of Vélez Málaga or the coastal village of Torre del Mar on their own.

### **Thursday**

A stunning walk near Alcaucin shows the diversity of the Andalusian landscape. At the end of the walk a delicious barbecue is waiting for you with fish, meat and wonderful vegetarian delicacies.

### **Friday**

We end the series of walks with a marvellous hike along the rocky coast near Maro. We have lunch in a cosy chiringuito on the beach (not included). Weather permitting you can have a swim in the sea.

### **Saturday**

Optional visit to the trendy city of Malaga (lunch not included) before we drive to Malaga airport for the return flight.
